Dear Sports Enthusiast,

On behalf of the Office of Economic Development, we are pleased to welcome you as either a first time or returning client to renowned Harford County's sports venue, Cedar Lane Regional Park. We are committed to helping your experience be enjoyable and successful. Whether it's your first experience or one of many here in the county, you can expect professional, quality customer service with every event.

Located in the heart of the Mid-Atlantic, Cedar Lane Regional Park offers twelve fields in one location, including two artificial, lighted turf fields and ten grass fields. Cedar Lane is scheduled to host more than 50 sporting events in 2023, with athletes and spectators from every state in the U.S., as well as players from around the world. More than 500,000 athletes will compete on the recently renewed fields at Cedar Lane this year.

Building on the last 15 years of success, construction for eight additional artificial, lighted fields is currently underway, which will be ready for use by athletes and event organizers in 2024. The addition of these fields will allow Cedar Lane to expand its schedule and host new events and tournaments as field inventory grows to a total of ten turf fields and ten grass fields.
